The success story...

SSLC exams 2021	All Parikrma Schools
Total pass %	100
First Class %	52
Distinction %	11
Total appeared	112

Moving to (100%) online classes for a school like Parikrma was never easy – but, hey! we have always strived to make the impossible doable and most often – are crisis-ready!

This year has been really traumatic for our children and their families from losing jobs, family members to Covid, barely any food to eat, schools being shut, and many more such challenges in the slums. Many of our children had moved back to their villages from not being able to pay rent. Despite all these hurdles, we are thrilled to share with you that this year – 112 of our 114 SSLC students appeared for the final exams and we have a 100% pass-out rate!

It is estimated that over 10 million children will drop out of school this year. Our children have not only ensured over 80% attendance but have also appeared for their exams and have fared well. We are very proud of them.

30 Eduleaders Weathering Covid Tsunami

Founder Shukla Bose has been interviewed as one of the Eduleaders weathering Covid tsunami in India by the Education World

30 EDULEADERS WEATHERING COVID TSUNAMI

Shukla Bose
Founder, Parikrma Humanity Foundation, Bengaluru

There is a lot happening at our schools :)

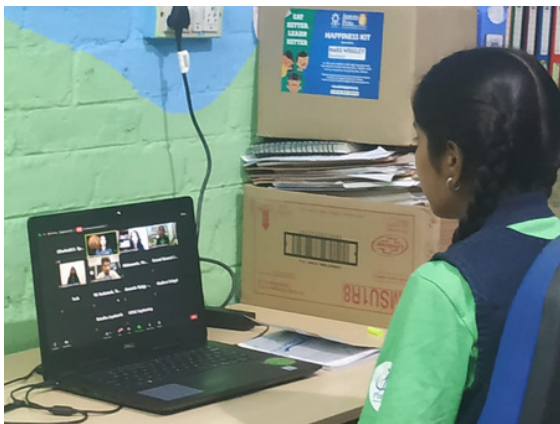

Interaction with NASA scientist

At Parikrma, what does equal opportunity really mean? Recently, our student Jayashree from Pluto Koramangala interacted with Dr.Swathi Mohan, Guidance, Navigation, and Control Systems Engineering Group Supervisor, NASA's Jet Propulsion Laboratory as part of the #DiasporaDiplomacy series.

Student featured in Salesforce's latest stories of change

Parikrma student Tasmiya C is among the 3 participants, each at a different stage on their path towards entering the workforce, sharing insights about their experiences at Salesforce and how the programs have sparked their imaginations for what's possible. Read the full feature [here](#)

5 students attend GYLS 2021

This year, 5 Parikrma students attended the virtual Tony Robbins Global Youth Leadership Summit. The 4-day program provides participants with an environment designed to boost leadership skills. Our children were among the 400 selected to participate from over 46 countries.

We have vaccinated over 1000 individuals for free!

We have vaccinated 100% of our parents & their neighbours.

We have vaccinated 100% of our teachers & their families.

All our staff & families are vaccinated.
