

Stories of transformation

This month is all about success stories.

Stories of transformation,

Of new and equal opportunities,

Its impact on the lives of disadvantaged families and girl children in particular.

We are proud to share these stories of hope.

We want to thank you for being a part of this journey.

Our latest short documentary gives you a glimpse of Parikrma's 20 years of change!

Our young global leaders!

A crowded picture indeed. But we couldn't leave anyone out. Here are our four students, Keshavi, Monish, Krupa, and Monisha, posing outside the Bangalore International Airport just before they boarded the flight to San Diego to attend the Global Youth Leadership Summit.

Their parents have come to see them off. It is their first exposure to the airport. What a moment of pride for them and all of us. Our students are representing not only our schools but also the entire country at this leadership summit—hats off to them. But don't miss our Head of Academics, Kalpana, who has been with them to get their passports and visas done, grooming them and seeing them off at 1 a.m.

Stories of change

A happy photo that exudes pride. But the story did not have a happy beginning.

Akshatha from the Parikrma Sahakaranagar 2021 batch has had to struggle with one misfortune after another, which stopped her from completing her PUC, although she was a good Science student.

Uma from the Koramangala 2018 batch had to deal with the loss of both parents and violence at home. She failed two subjects in PUC and could not complete them.

Pawan is from the Parikrma Nandini Layout 2017 batch and had to leave their studies to support his family.

Our [#ComeBack](#) program encouraged them to restart again. Today, they proudly hold their PUC mark-sheet to prove nothing can stop them. They continue to work and plan to complete their bachelor's degree studies with our help. These are stories of grit and resilience. This is also a story of trust in the Parikrma Way.

A month of celebrations!

We have much to cheer for, and this month kicked off on a few wins too:

- SSLC RESULTS - We have had an overall 96% and a 100% pass percentages in two of our schools this year!
- Our students bagged third place at the Jubilee Football Tournament U-14 teams.
- Watching our girls show immense interest in football is also why we set up the Parikrma Girls Football Club. our winners bagged the Sacred Heart Cup this year.

Parikrma impact

"It was touching when Rakshitha brought her parents, Selvi and Thangaraj, to meet us to say goodbye. She leaves for the US soon as a part of the AFS India YES cultural exchange program. She worked hard and got selected for the scholarship. She will be studying at Central High School in Missouri, USA. Rakshitha is a smart girl and can manage well on her own.

But I still worry like any mother would. I told her of the three promises I had made to my mother when I left home for college at a similar age more than 50 years ago. I know if she follows them, then she will be fine. What those promises were will remain a secret between Rakshitha and me!

Anyway, let's wish Rakshitha a great future ahead."

- Founder, Shukla Bose

Our little changemakers

Our grade 11 and 12 students organised a food festival to raise funds for supplies for the Wayanad landslide victims.

Our children planned and executed this—there will be more coming up in all four schools. They want to support in any way they can, and we will ensure these aids go through the proper channels.
