

Support our Annual Day!

Every year, one of the most anticipated events is the Annual Day.

Why is this day so special to our children and their families?

It is the only day our children from all four schools and colleges come together to put up one of the best shows—a long-themed theatre play that comfortably engages the full hundred per cent attention of all our parents and guests for over 1.5 hours! But what is equally important is that all the parents of our 2000 children are part of this celebration—our VIPs. The joy and pride our children feel during this event are immeasurable, and it's a feeling that resonates with all of us.

This incredible act may be short, but it takes months of planning - from writing the scripts to the songs, choreographies and the audio-visual content for the play. One of the critical elements to the "real-life" affinity of our characters representing different timescales and even other planets is the costumes. We also take pride in the fact that these flamboyant, meticulously designed attires are created by our children themselves. This year, however, since the Annual Day is being held within a month of the school reopening - we don't have the time or the capacity to prep for the costumes and the props for the stage.

While most of the costumes are designed and stitched by our teachers and children, we will still have to rent some of the costumes and invest in some of the most commonly used props that can be used each year going forward. Your contribution will empower us to provide diverse costumes and props that will elevate our children's performance to new heights.

If you are in Bengaluru, please come and watch the show. Yes, we will share the video next month. You will watch our little ones take on roles and stories from across the globe.

When: July 12, 2024

Total amount: INR 1 lakh or \$1,198 only

New collaboration

We are excited to announce that Yi Bengaluru Thalir Vertical has signed a Memorandum of Understanding (MoU) with five schools under the Parikrma Humanity Foundation, inducting 1050 students! This collaboration aims to bridge the educational gap and enhance opportunities for economically disadvantaged students. Together, we're making a difference in the lives of these young learners and fostering a brighter future.

Follow us!

A lot of exciting developments at Parikrma Oxygen:

A beetle and a butterfly take shape,
while the camping area sprouts.

The saplings are joyfully moving to the breeze,
and the lake, she is coming back alive, slowly but surely!

Thank you!

"A big shout-out to SignOff Semiconductors for distributing shoes to our children. Giving our kids shoes at the beginning of the academic year was important. When corporations donate, it is important that they give what is needed and at the right time. Giving has to be thoughtful and unselfish. Giving has to have meaning and not just ticking of boxes. Lessons I have learnt over the last 24 years that I have been working with the underserved. Thank you, SignOff!"

The Parikrma children are blessed to have many friends and well wishers who continuously support them. Our friends from Singapore, who choose to remain anonymous have also contributed to give shoes to the children of the Koramangala and Jayanagar schools. For many of our children this is the first pair of new shoes they own. Who could have thought that a pair of shoes is woven with so much hope and possibility for a child? Thank you for being our friend.

-Dr Shukla Bose
