Stories of transformation

"Our girl Rakshitha has started school in Missouri, Ohio. She has already made new friends in her new school, and we are confident she will do well in this new environment and blossom. Parikrma's mission is to unleash the potential of every child, and we shall continue to strive to give every opportunity to our children to realise their interests and talents and see their dreams unfold. Follow Rakshitha's journey of success and transformation with us. Thank you for believing in us for the last twenty years."

-Shukla Bose

Beyond the classroom

Every month, our children from all four schools look forward to learning outside the classrooms. Equal opportunity is the Parikrma Way!

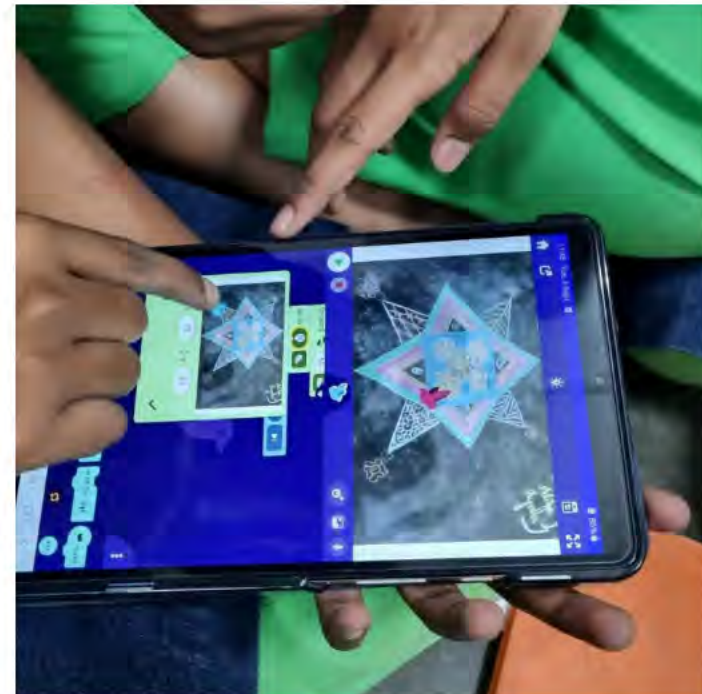

Our children have had a blast this month, exploring the world beyond their classrooms. Every field trip from art galleries to science institutes has been a joyous adventure.

Annual Sports Meet

A lovely day indeed! Athletics finals, performances and interactions - at the Parikrma United Sports Meet 2024. We want to extend a heartfelt thank you to all our guests who joined us for the Meet.

Creative learning

Computing and Artificial Intelligence... Happening again this year, we are thrilled about our children's exciting creative learning sessions with the team from UdiGitalEdu Univeristy.

Thank you for your patience

Unfortunately, our website is currently down, but rest assured, we have all hands on board fixing the bug. We are working diligently to resolve this issue and expect to be up and running at the earliest.

We appreciate your patience.
